## FRONT ROW TABLES ARE GOING FAST...

We designed our table layout this year to allow more tables to get a "Front View" of the performance floor. But those tables are filling up quick! We have only six empty front row tables left. The others are either filled up or partially filled up.

So we advise you, if you haven't already, to get your tickets now so you could get a good seat on show night !

And we know that you aren't planning to miss this event. Remember, approach Instructor Sean for ticket purchase.

If you have too many family members to pay for at once, you can reserve seats by paying for two tickets and then paying for the rest of your family gradually as we approach Show Night on November 13th. Remember last day to buy tickets is November 6th.

## CAN YOU BE A SHOW COORDINATOR ??

Let us know if you can help out. We're going to need the following help in these areas:

**Decorating Coordinators:** We need a crew to help decorate the place. We already have bubble machines, red carpets, balloons, candle centerpieces. We need to have a crew come in and build a balloon arch over the stage . We need wild ideas for decorations and crea-

tive minds to make the room look unique.

**Red Carpet Photographers (2):** As families arrive, we need people who can use our digital cameras and take Red Carpet pics. A rather simple task.

**Award Givers (2):** Award givers hand the actual Doomies Award to winners and nominee medals to Nominees.

**Red Carpet Coordinator (2):** We need two people who could help us line the kids up during the Red Carpet introductions. They'll make sure that the right kid is in the right place and communicate with the hosts via walkie talkie.
